

FEDERAL COMMUNICATIONS COMMISSION
WASHINGTON

OFFICE OF
THE CHAIRMAN

May 6, 2020

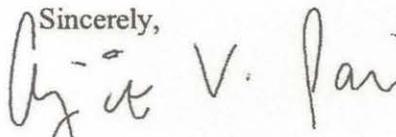

The Honorable Cory Gardner
United States Senate
354 Russell Senate Office Building
Washington, DC 20510

Dear Senator Gardner:

Thank you for your letter supporting the application of Children's Hospital Colorado for funding under the Federal Communications Commission's COVID-19 Telehealth Program, which is funded through a Congressional appropriation as part of the Coronavirus Aid, Relief, and Economic Security Act. As we engage in social distancing and healthcare providers work tirelessly to care for those with the COVID-19 disease and to prevent the spread to others, telehealth is becoming more important by the day.

I am pleased to inform you that the Commission has awarded Children's Hospital Colorado, in Aurora, Colorado, with 14 locations throughout the state, \$807,090 to implement telehealth services to provide continuity of medical care for children, adolescents, and young adults with complex pediatric illnesses in the Rocky Mountain region. I appreciate your support of the Children's Hospital Colorado proposal for telehealth funding, and I look forward to seeing its positive impact in your state.

Please let me know if I can be of any further assistance.

Sincerely,

Ajit V. Pai
